INSIGHT

"You create the conditions you want by planting the right seeds. When you plant seeds they don't grow overnight. It could take weeks, months, years, even lifetimes." ~ GMCKS

PACIFIC NORTHWEST PRANIC HEALING NEWS

"When you think about a person, you form energy cords. These energy cords could be good or could be bad. As you watch the way you think, the way you feel, the way you interact with other people, you are able to calibrate the size of the connection (cord) between you and the others."

~ GMCKS

Tales from Real Life:

Nuthatch Healing: The little bird flew into our window and landed upside down on our deck, its wings and feathers all whacky and its little legs flailing wildly. Sweeping was done with the guidance of GMCKS on the front and back of the bird to remove all the difficult energies from the crash. The legs stopped flailing, but it still didn't even look much like a bird. Slowly the wings and feathers became more orderly. Soon the little bird was upright again, but lying on its belly. More sweeping. Aft 15 minutes later it was sitting up and looking around. More sweeping. We noticed that the shoulders and wings were not energetically strong. More sweeping. Sweeping also on the belly to removed congesting there. We chased away a jaybird who came to prey on the disabled bird. And then, about 25 minutes after the crash, the little nuthatch flew into the pine tree just outside of the yard! Thank you, GMCKS! Oregon November 2017.
